Unlike many venues, we don't charge a fee to hire our space. Instead, we operate on a **minimum spend basis**, so you only pay for what you use.

Bespoke Packages

Whether you're planning a small gathering or a large-scale event, we work with you to determine the perfect package based on your needs. Every event is different, and so are our pricing options. Factors such as full or semi-private hire, the duration of your event (full or half day), and whether you're hosting a drinks-only affair or a full sit-down dinner, all influence the minimum spend. Simply tell us what you have in mind, and we'll create a custom quote that works for you.
