

Make your own

FINGERPRINT DANDELION

YOU
WILL
NEED

WHITE CARD,
PAINT, PENS

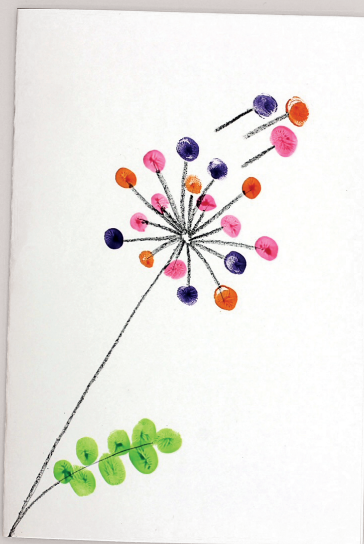

STEP 1

Take a piece of white card and fold it in half

STEP 2

Dip your fingers into the colourful paint and place them on the card. Ask a grown-up to help you. Using your pens, draw a thick dandelion stalk onto the card and some thinner lines to connect each of your fingerprints, creating your own colourful dandelion card!

HANDPRINT BUTTERFLIES

YOU
WILL
NEED

COLOURED PAPER, TISSUE PAPER,
PENS, WOBBLY EYES, A PIPE
CLEANER, SCISSORS & GLUE

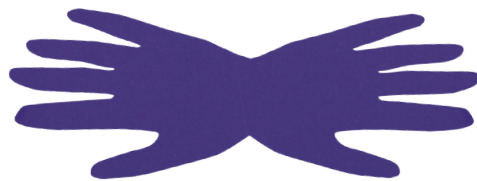

STEP 1

Place your hand on coloured paper, spread out your fingers and draw around it. Do this twice. Carefully cut out your handprints. You may need a grown-up to help you with this

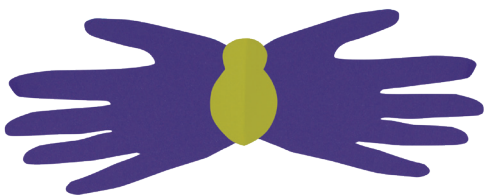

STEP 2

Glue your handprints together in the middle

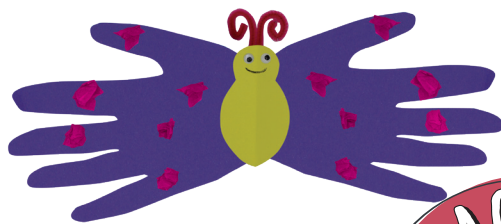

STEP 3

Draw a butterfly's body and glue this in the middle of your handprints

STEP 4

Use your pens, tissue paper, wobbly eyes and pipe cleaner to decorate your colourful handprint butterflies!

Make your own

HANDPRINT FLOWERS

YOU WILL NEED

WHITE PAPER, COLOURED PAPER, PAINT, PENS & GLUE

STEP 1

Place your hand into some colourful paint and place your handprint on the top of your white paper. Do this twice

STEP 2

Take some coloured paper and cut out a vase shape. Using your glue, stick the vase onto the white paper, below your handprints

STEP 3

Dip your finger into some green paint and add a fingerprint stem to connect your vase to your colourful handprint flowers!

Make your own

HEART BOUQUET

YOU
WILL
NEED

WHITE CARD, COLOURED
PAPER, GREEN PEN, RIBBON,
SCISSORS & GLUE

STEP 1

Draw some heart shapes onto some coloured paper and then carefully cut them out. Ask a grown-up to help you

STEP 2

Fold each of the heart shapes in half to create a crease down the centre

STEP 3

Take a piece of white card and fold it in half

STEP 4

Using your glue stick, stick your paper hearts to the top half of the card

STEP 5

Using your green pen, draw some straight lines from the hearts towards the bottom of the page to create your bouquet stem

STEP 6

Glue a ribbon onto your bouquet to finish off your colourful card!

Make your own

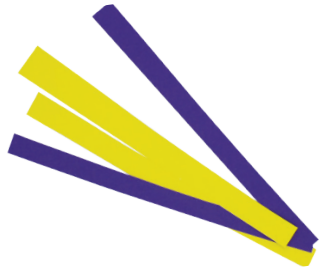

HEART WREATH

YOU
WILL
NEED

COLOURED PAPER,
RIBBON, SCISSORS & GLUE

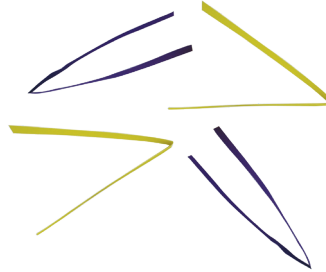

STEP 1

Gather some sheets of colourful paper and carefully cut it into 1cm strips (length ways). Ask a grown-up to help you

STEP 2

Fold each of the strips in half at the middle

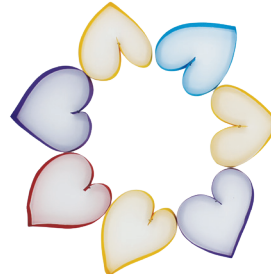

STEP 3

With the folded end at the bottom, join the paper strip together at the top to create a heart shape, using your glue stick to hold it in place

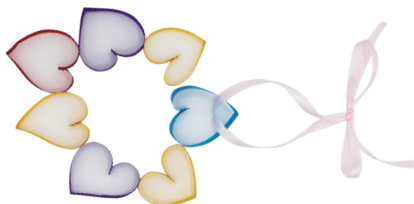

STEP 4

Lay your paper hearts out into a circle shape and glue them together

STEP 5

Tie a ribbon to the top so you can hang your colourful wreath!

Make your own

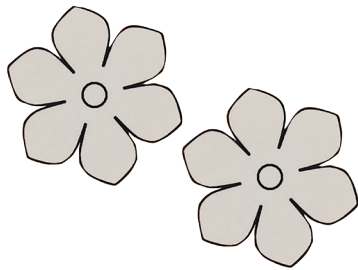

LOLLIPOP STICK FLOWERS

**YOU
WILL
NEED**

LOLLIPOP STICKS, CRAYONS,
PRINTABLE TEMPLATE,
SCISSORS & GLUE

STEP 1

Carefully cut out your flowers from the printable template.
Ask a grown-up to help you with this

STEP 2

Using your crayons, colour in your flowers.
You could even add some bright patterns

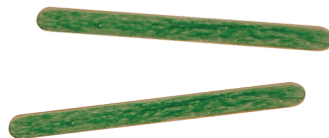

STEP 3

Bend each of the the petals towards you

STEP 4

Use your crayons to colour in your
lollipop stick

STEP 5

Using your glue stick, glue the flowers and leaves to the
wooden lollipop stick to create your own colourful flower!

Make your own

HANDPRINT LILIES

YOU WILL NEED

COLOURED PAPER, PIPE CLEANERS, RIBBON, SCISSORS & GLUE

STEP 1

Place your hand on coloured paper, spread out your fingers and draw around it. You may need some help with this. Do this three times

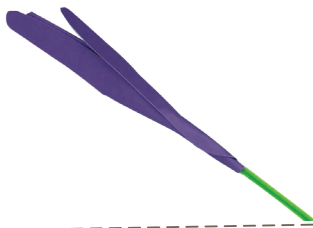

STEP 2

Carefully cut out your handprints. You may need a grown-up to help you with this

STEP 3

Roll each of the handprints into a petal shape and glue it together. Leave some space at the bottom of the petal to slide a pipe cleaner through

STEP 4

Roll each of the fingers back to create an open flower shape

STEP 5

Gather your beautiful bouquet and tie it together with a ribbon!
