OF DISCOVERY...

# THE DISCOVERY BAR

You never truly know a place until you've savoured its local produce, explored the hidden tastes and tipples created in the community and sampled the culture that gives the local area its unique flavour.

The Discovery Bar at The White Horses takes you on a stroll through the fruits and flavours of our favourite drink's producers. It's a creative collection of the highest quality, infused with local spirit. And an opportunity to discover the area's new, exciting, and most iconic brands.

So why not indulge yourself? Treat your loved ones. Enjoy our selection of fine wines and fizz from the Bolney Estate. Sip on small batch spirits distilled locally by producers like Harley House, Madame Jennifer, and Brighton Gin. Quaff craft ales and beers from across the county. Or celebrate with a freshly prepared cocktail, crafted with care using a blend of the area's finest spirits and botanicals.

Each drink creates a connection to the heart of our community – artisans, tastemakers, brewers, vintners, and distillers – the people who make this part of the country so special.

# GOLDSTONE

RUM

As one of the few distilleries in the UK to make rum from scratch, this multi-award-winning Sussex producer believes in making rum the proper way. Blending jaggery, panela and molasses they create exceptional artisan rums with no added sugars, flavours, additives or colourings. And it's all crafted locally, on the sunny slopes of the South Downs.

Goldstone Rum is the brainchild of husband-and-wife duo John and Georgina Bowell. They decided to throw caution to the wind during lockdown, escape the safety of their corporate jobs, and set up their own distillery. Their selection of light, dark, spiced and flavoured rums have all won prizes for their great taste. Sip these delicious rums neat, on the rocks, or in our range of cocktails that showcase the very best of British rums right here at The White Horses.
