

The Big Cake Company Autumn Winter 2025 - Allergen Information Version 2

Allergen Information

Whilst we take extensive steps to ensure that the list of allergen ingredients in our dishes is accurate, **we cannot say that any of our items are "free-from" any allergen**, but only that it does not contain that allergen as an ingredient.

Dishes may be handled and prepared in an environment which contains allergens so there is a risk of cross-contamination in our kitchens.

Our allergen information relates only to dishes which contain those 14 allergens which we are required to declare as ingredients and is as provided to us by our suppliers. As such, our dishes may contain additional ingredients which you could be allergic and/or intolerant to and which we have not highlighted. Our descriptions do not include all ingredients or allergens. If you have an allergy or intolerance to an allergen other than any one of those 14 then please contact our team before you order or consume any dishes from our selection.

Food preparation

Our food can come into contact with allergens as it is prepared in a kitchen where dishes containing gluten, nuts, dairy and other allergens are also present.

If you suffer from sensitive trace reactions for any food-related allergen, please be aware that we are unable to guarantee full suitability, and dining with us may not be suitable for you.

Our selection

If you are selecting dishes from any of our dietary menus such as our no-gluten containing ingredient menu – please highlight nature of your allergy or intolerance to a team member and let us know the menu you are ordering from when placing your order.

Please check and ask about allergen information every time you order with us

- even if you have consumed a particular dish on a previous order. It is important to make your choices based on the current allergen content.

Vegetarians and Vegans

Our Vegetarian and Vegan dishes are created using ingredients which have been confirmed suitable by our suppliers. They are however stored & prepared in kitchens where meat & dairy are also handled and may have come into contact with meat-based ingredients. If you would like further information on the preparation of these dishes please speak to a member of our team.
