WELCOME TO THE FOUNTAIN HOUSE

About us

Enhance your occasion in a beautiful Grade II listed building, nestled in the heart of Manchester City Centre.

The Fountain House is a historic venue designed by the Victorian Architect Thomas Worthington, who founded the Fountain on Albert Square over 155 years ago, outdating the Square itself.

Set over three floors, our interiors incorporate a range of fabrics and textures to create a sophisticated, warm feel. We offer several unique spaces, suitable for any occasion, with a dedicated events floor featuring its own grand entrance. Enjoy a flexible hire, with each space offering plenty of daylight to then be transformed by night with our adjustable lighting.
