This information has been provided to allow you to make an informed choice when dining with us. Children between 5-10 years old need around 1,800 calories a day, but this will vary by age and level of activity and some children will need less, and some will need more. Our dishes are prepared in kitchens where nuts and gluten are present as well as other allergens; we cannot guarantee that any food item is completely free from traces of allergens, due to the risk of unexpected cross contamination. We do not include 'may contain' information. Our menu descriptions do not list all ingredients. Please advise the team of any dietary requirements before ordering. Dishes may contain alcohol. Calorie counts are correct at time of print. Please be aware the allergen information for our dishes may change between the date of booking and the date of your visit. We would advise all of our guests contact a member of the team on the date of their visit to confirm the allergen information of their selected meals. GKRBCD/12124
